## **CONSOLIDATED AVIATION FUELING TORONTO**

Dear Brothers and Sisters,

All members need to be aware that the Canada Labour Code prohibits the use of work stoppages to resolve disputes where a collective agreement is in force. You need to be aware as well that breach of the Canada Labour Code can lead to serious consequences for employees who participate in illegal work stoppages.

Any members of this unit who are off work today but able to work should immediately contact the shift manager.

We know that you are going through some very difficult times. Be assured that the Union is taking all available steps to make your voice heard and to protect your rights.

In Solidarity,

Fred Hospes, President & Directing General Chairperson  
Transportation District 140, IAMAW
