BARGAINING UPDATE

Dear Brothers,
Dear Sisters,

Your IAMAW Negotiation Committee met again with the Company on May 24 & 25, 2016 with the Conciliator (Carol Wall).

Although the parties have tentatively agreed to much of the non-monetary language issues that would be included in a collective agreement, the parties remain far apart with other important items such as: hours of work paid vs. unpaid meal breaks, mandatory vs. voluntary overtime and Hourly rates of pay.

Your Committee will be meeting the Company again on June 14th and 15th, and are hoping to have an information meeting with the Members before these dates. We will keep you updated as to when and where.

In the meantime, please continue to perform your work in a professional manner to reinforce and show the Company, the airlines and the travelling public that you care about your jobs and the industry.

Thank you for your ongoing support.

In Solidarity,

George Kuehn
General Chairperson – Eastern Region
Transportation District 140, IAMAW
