**UPDATE**

Dear Brothers and Sisters:

Transportation District 140, in consultation with our legal counsel, is currently in discussions with Air Canada regarding the terminations of our Members who are in receipt of Long Term Disability Benefits.

Through these discussions your Union is requesting a cease and desist agreement with Air Canada pending the outcome of an arbitrator's decision.

Any Member in receipt of Long Term Disability Benefits, who has received a letter from Air Canada, is **discouraged** from making any decisions at this time as your Union is of the opinion that the parties will reach a cease and desist agreement.

As more information becomes available it will be communicated to the affected Members.

In Solidarity,

Keith Aiken, General Chairperson  
Transportation District 140
