CONTRACT NEGOTIATIONS

Dear Brothers and Sisters:

Please be advised that the Union has served British Airways with a notice of intent to commence bargaining. A Collective Bargaining information request was also previously sent to British Airways and we anticipate that the Company will send us the requested information promptly.

The Bargaining Committee is awaiting a response from the Company for mutually agreeable dates where the parties can sit down and commence negotiations.

It is the Union's intent to commence bargaining in a timely manner, without delays and ideally to conclude negotiations prior to May 31, 2017.

The IAMAW Bargaining Committee will keep you updated, as we move forward through this negotiation process.

In solidarity,

Michael Corrado
General Chairperson – Central Region
District Lodge 140, IAMAW

George Kuehnl
General Chairperson – Eastern Region
District Lodge 140, IAMAW

The Negotiation Committee Members:
