Conciliation Update

Dear Brothers & Sisters

The IAMAW along with members of your bargaining committee have scheduled a meeting with senior Air Transat officials and the Conciliators in order to finalize a tentative agreement on April 25, 2017.

The Union is also in the process of organizing membership update and Q & A meetings. Once dates and locations of these meetings are confirmed, they will be communicated to the membership.

In addition, the Union will provide further updates as information becomes available.

In Solidarity,

George Kuehl
