**AIR CANADA MAINTENANCE (ACM)**

**GOGO WIFI**

Brothers and Sisters:

Air Canada has signed an agreement with GOGO Wifi to subcontract maintenance of this system to 3rd party. Our position as always, maintenance on Air Canada and Air Canada Rouge airframes and their associated components is IAMAW member scope work. We have filed a grievance.

Additional to this instance, remain outstanding grievances concerning ACM management's choice to sub-contract and failure to provide advance notice per Article 20.07 of the Collective Agreement.

In fact, we discover instances of sub-contracting and details thereof through our members, sometimes after the fact. In our opinion, this is not the intent of Article 20.07.

Please keep a watchful eye on our work and report concerns to your local Shop Committee.

In solidarity,

David Freeman  
General Chairperson  
Central Region
