TO ALL IAMAW MEMBERS WORKING FOR CAFAS

Conciliation

Dear Brothers,
Dear Sisters,

Your IAMAW Negotiations Committee, comprising of George Kuehnl, Dave Demole, Marc-Antoine Pépin and Milton Reid met with the Company Dion Faulkner and Brian McGuckin along with the Conciliator Robert Bellerose on December 12th and 13th.

The Company came to us looking for concessions with the intent of putting an RFP together which would be competitive with other companies that are bidding on the Montreal Tank Farm work due to the contract with FSM ending in March 2018.

This is another example of contract flipping that the IAMAW is lobbying against and that is not beneficial to anyone due to the fact that it is a race to the bottom and affects the competence of the companies, the reliability of the airlines and the safety of the workers.

Nevertheless, your Bargaining Committee has reached a tentative agreement that reflects the reality of today's environment and that will hopefully maintain our work with Cafas.

Your committee has worked very hard and faced many challenges.

A copy of the Tentative Agreement will be presented to you tomorrow Friday, December 15th for your review and an information session and ratification vote will be held at an undetermined date.

We will keep you posted as to further developments regarding this matter.

The IAMAW appreciates your continued support.

In Solidarity,

George Kuehnl
General Chairperson – Eastern Region
Transportation District 140, IAMAW
