NEGOTIATIONS UPDATE**

Why are we there?

Dear members,

Following this week's meetings, we must inform you that the negotiations have reached an impasse. The company's inflexible attitude compels us to seek the help of a conciliator.

The demands of your committee are not excessive; they are most realistic and legitimate considering the current market. All we are asking for is a fair and equitable agreement for the next few years.

We are preparing a meeting to inform members on the process regarding conciliation and, if necessary, mediation.

We will communicate the location and time as soon as they have been confirmed.

Thank you for your patience.

Your Negotiating Committee,
Michel Richer, Peter Tsoukalas, Stéphane Baril and John Toto.
