LTD TERMINATION ARBITRATION HEARING

Dear Brothers and Sisters:

A hearing was held on June 18, 2018. At this hearing counsel for Air Canada and the Union completed the process of putting evidence before the Arbitrator and a revised timetable was set for the next steps in the arbitration process, including the exchange of written legal submissions.

Based on this timetable we do not expect any decision to be issued until the latter part of this year.

As we have previously advised, as a result of an agreement obtained by the Union at the beginning of this process, no terminations can take place until after this decision is issued, whatever the outcome of this arbitration.

As further information becomes available it will be communicated to the affected Members.

In Solidarity,

Fred Hospes, President & Directing General Chairperson
Transportation District 140
