ALL MEMBERS OF THE IAM MULTI-EMPLOYER PENSION PLAN (CANADA)

PERSONAL CONTACT INFORMATION AND ADDRESS

Brothers and Sisters,

This bulletin is a reminder that all members of the IAMAW Multi-Employer Pension Plan (Canada) (MEPP) should always ensure that their contact information and mailing address is up to date and current with the plan administrator.

All registered pension plans in Canada have a legal obligation to regularly provide plan members with certain information concerning the pension plan and their individual benefits. In order to fulfill this obligation, the MEPP administrator requires correct contact information for all plan members.

Section 2.10 of the MEPP text stipulates that members' accumulated benefits remain in the plan until the expiration of a twenty-four (24) month non-contributory period. This means that former employees of all participating employers will remain members of the MEPP and their pension benefit will remain in the MEPP investment fund for a period of two (2) years since the last contribution was made to the MEPP on their behalf.

It is vitally important that former members keep their contact information up to date so that the MEPP administrator can arrange for the transfer or payment of their pension benefit upon the expiration of the 24 month non-contributory period.

Members can contact the MEPP administrator via the **CONTACT** link on the homepage of the MEPP website homepage at <http://www.iammepp.ca> or via email at admin@iammepp.ca

In Solidarity,

Christopher Hiscock
Chairman,
IAMAW Pension Committee
