TO ALL IAMAW MEMBERS WORKING FOR SWISSPORT CANADA – LOCAL LODGE 1751

CABIN SERVICES DEPARTMENT

To all members,

During the last negotiations, the union was notified by your employer of its intention to divest entirely of the cabin services department and of all cabin crew members.

Swissport was to transfer the operations to Delta Facilities Maintenance Inc. (DFM). Following this decision, measures aimed at the department had to be undertaken as of the date of ratification of the signature of the new collective agreement.

To date, we have been advised that the transfer of members affected by this decision has not yet been completed and are currently in discussion with the company on this urgent matter.

We will keep you informed of future developments.

In solidarity,

Pete Tsoukalas
General Chairperson – Eastern Region
