CABIN STANDARD AND SERVICE - OVERPAYMENTS

Dear Brothers and Sisters:

The District 140 was advised last week about a computer programming error that generated overpayments. These overpayments are specifically in the Cabin Standard and Service department (Cabins) and are between May 17 and October 17, 2020. The District has already reached out to the shop committees to explain the information that has been provided by the company and the process for recollection covered by LOU 12 of our CBA.

If you believe you are being recollected funds improperly, we ask you to review LOU 12 of our CBA, collect appropriate pay cheques and time records before going to see the shop committee. This will in turn allow us to process your grievance in a quick manner and avoid unnecessary delays.

In solidarity,

Guillaume Lingat
General Chairperson
Eastern Region
