### NEGOTIATIONS UPDATE

Dear Brothers and Sisters,

As a follow up to Bulletin No.54 issued on October 21, 2020, a further case management call was held on December 18, 2020 between Arbitrator Vince Ready, the IAMAW's legal counsel, Air Canada's legal counsel, and the two principle chairs for your TMOS Bargaining Committee.

Due to unforeseen circumstances of a personal nature, Air Canada's counsel have put forward a request to Arbitrator Ready to extend the December 14 & 23, 2020 submission deadlines that were previously established during the case management call on October 15, 2020.

Arbitrator Ready has accepted the extension requested by Air Canada and provided the following revised deadlines for the remaining submissions in this matter:

- Air Canada's response to the Union's submission on the pension cap and interest arbitration items and the Union's response to Air Canada's submission on compression has been extended from December 14, 2020 to January 22, 2021.
- Final written submissions from Air Canada on compression and the Union on the pension cap and other interest arbitration items has been extended from December 23, 2020 to February 12, 2021.
- Oral submissions if required will take place in March 2021

Update bulletins will be issued as the process continues through these dates
